MERITWRIGHT LLC

Home Inventory Checklist

Print one copy for each room. Start with the belongings that are hardest to replace.

Room or storage area _____ **Date reviewed** _____

Before you move to the next room

- ☐ Take a wide room photo or a short walkthrough video.
- ☐ List significant items. Group similar everyday items and note the quantity.
- ☐ Photograph model or serial labels and save receipts or appraisals when available.
- ☐ Keep a protected copy away from home and check that a few backed-up files open.
